

SPECIAL APPLICATIONS

SPECIALIZED APPLICATIONS: ENCLOSURES FOR A BETTER-LOOKING LANDSCAPE.

Dekorrra® rock enclosures perfectly conceal a variety of items in virtually any landscape—commercial or residential. From large items to small, our big selection of sizes and shapes means there's an enclosure that's exactly right for almost any application. Don't settle for less: Choose the industry's best appearance, tough and durable RealRock™ material, and a long-term solution that works.

Some examples of specialized applications:

- Satellite
- Cable boxes
- Telephone pedestals
- Pool/Pond filters and pumps
- Low voltage lighting transformers
